**SOLICITOR:**

**ENGINEER:**

**Storm Sewer Drain Repairs**

**MacDade Blvd. and Roberta Ave.**

PennDOT advised they are willing to replace the inlet top frame and grate and re-set / replace brick near the top of the inlet since MacDade Blvd. is a State Route. We recommend Mundy be held off from the work at this location and allow PennDOT to complete the work. PennDOT to advise of their schedule.

**20 Roberta Ave.**

For using Liquid Fuels funds for the storm sewer drain repairs at this location an approval from PennDOT will be needed prior to the work being done. The submission to PennDOT for approval will require a detailed breakdown of the work. We therefore recommend the Borough ensure Mundy provides a detailed proposal for the work and compare to the proposal from A to U Services, Inc. to ensure Mundy has submitted the lowest price and the proposal has sufficient detail for PennDOT approval.
